**DEFINITIONS**

1. "BellSouth" means BellSouth Telecommunications, Inc., and its subsidiaries, their present and former officers, employees, agents, representatives, directors, and all other persons acting or purporting to act on behalf of BellSouth Telecommunications, Inc.

2. The terms "you" and "your" refer to Humphreys Telephone.

4. The term "person" means any natural person, corporation, corporate division, partnership, other unincorporated association, trust, government agency, or entity.

5. The term "document" shall have the broadest possible meaning under applicable law. "Document" means every writing or record of every type and description that is in the possession, custody or control of BellSouth, including, but not limited to, correspondence, memoranda, drafts, work papers, summaries, stenographic or handwritten notes, studies, publications, books, pamphlets, reports, surveys, minutes or statistical compilations, computer and other electronic records or tapes or printouts, including, but not limited to, electronic mail files; and copies of such writings or records containing any commentary or notation whatsoever that does not appear in the original. The term "document" further includes, by way of illustration and not limitation, schedules, progress schedules, time logs, drawings, computer disks, charts, projections, time tables, summaries of other documents, minutes, surveys, work sheets, drawings, comparisons, evaluations, laboratory and testing reports, telephone call records, personal diaries, calendars, personal notebooks, personal reading files, transcripts, witness statements and indices.

6. The term "referring or relating to" means consisting of, containing, mentioning, suggesting, reflecting, concerning, regarding, summarizing, analyzing, discussing, involving, dealing with, emanating from, directed at, pertaining to in any way, or in any way logically or factually connected or associated with the matter discussed.

7. "And" and "or" as used herein shall be construed both conjunctively and disjunctively and each shall include the other whenever such construction will serve to

bring within the scope of these discovery requests any information that would otherwise not be brought within their scope.

8. The singular as used herein shall include the plural, and vice versa, and the masculine gender shall include the feminine and the neuter.

9. "Hot cut" refers to the entire process necessary to physically transfer from one carrier to another a working voice grade access line that remains working after the transfer.

20. A "qualifying service" is a service as defined in 47 C.F.R. §51.5, as that rule is currently set forth in connection with the FCC's Triennial Review Order (TRO).

21. A "non-qualifying service" is a service as defined in 47 C.F.R. §51.5, as that rule is currently set forth in connection with the FCC's Triennial Review Order (TRO).
